NEW \$80,000 METHODIST CHURCH PLANNED FOR CITY OF CAMPBELL

Mr. and Mrs. Howard Guilbert have been elected as General Chairmen of a campaign organization which will seek to secure funds for a new Methodist Church.

A campaign executive committee of which they are chairmen is made up of the following persons: William Beyer, Frank Elaine, Dr. Harry Burke, Joe Dahl, Robert McCall, George Miller, Mrs. Herman Rice, Mrs. Frank Richardson and Doug Zwicky. This committee is charged with formulating policies and promoting a campaign for \$80,000, which together with funds anticipated from the sale of church property at Campbell Avenue and First Street will provide the first two units of a master plan development to be located northwest of the present site.

In accepting the general chairmanship of the campaign Guilbert said, "I am assuming this responsibility because I believe that Christian education of our children and youth is essential to insure what we call our 'American way of life' at its best. The rapid growth of our Sunday School, particularly at the younger age levels has rendered our present facilities entirely inadequate. We are providing only a fraction of the space recommended as minimum standards, and are unable to accommodate the increasing number of children to be served.

The decision to provide new and enlarged facilities was reached after careful study by our Christian education leadership, and a representative Building Committee, whose recommendations were approved by the congregation and its governing body." The long range master plan of development calls for a site of approximately three acres, modern Sunday School facilities, a Fellowship Hall, sanctuary, chapel, offices an parking area for 120 automobiles. The present campaign is for the first unit of Sunday School facilities and Fellowship Hall, which will be used temporarily as a sanctuary for formal worship services.

The following persons are serving as committee chairmen: Harry French, prospects; Clarence Helmbold, publicity; Mrs. Earl Buck, arrangements; Joe Dahl, special gifts; Guy Farley, auditing; and Dr. and Mrs. Harry Burke, Canvass Committee. Assisting the Burke's who are Vice-chairmen of the campaign are the following Division Leaders, each responsible for four teams of four couples, Mr. and Mrs. Robert McCall, Mr. and Mrs. Wm. Beyer,

Mr. and Mrs. Frank Blaine, Mr. and Mrs. LBen Howard. Captains of the sixteen teams serving under these leaders are Mr. and Mrs. George French, Mr. and Mrs. Robert Parker, Mr. and Mrs. John Swan, Mr. and Mrs. Reese Berghold, Mr. and Mrs. Doug Zwicky, Mr. and Mrs. Richard Craig, Miss Florence Kennedy, Mrs. Effie McCall, Les Titus, Miss Marilyn Toy, Mrs. Alice Cowdery, Miss Allen Cowdery, Mr. and Mrs. George Miller, Mr. and Mrs. Boyd Fair, Mr. and Mrs. Sam Robinson, Mr. and Mrs. James Barnett, Mr. and Mrs. Jerry Collins, Dick Buck, Judy Keech, Mr. and Mrs. Joe Wolf.

The campaign solicitation will be launched with a Kick-off Dinner, Monday, November 10th at 6:30 P. M. There will be report meetings at 9:09 P. M. Wednesday and Friday of that week, and Monday, Wednesday, Thursday, and Friday of the following week, climaxing the campaign with Victory Sunday on November 23rd.

POLICE COURT ADDS TO CITY TREASURY FUND

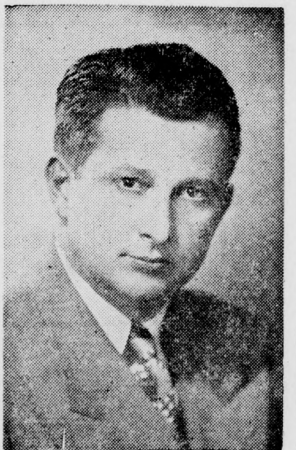

City of Campbell is \$980.50 richer this month as a result of formation of City Police Court last month. Money would otherwise have gone to the county.

Of that amount refunds amounting to \$70.00, leaving a total of \$980.50 to be turned over to the City Treasury, the document read.

Rotary Prize Won By Local City Attorney

Campbell city Attorney Joseph A. Bonacina won the Rotarian Award at the 145 District Conference at Santa Cruz, last Friday, for the best 25 word answer to the question "Why I am a Rotarian."

District Governor Otis, Callaway presented the award to Bonacina, president of Sunnysvale Club, for the following answer: "Without substituting Rotary for Religion it is an instrumentality for my moral, social, and vocational development in harmony with my fellows."

KIMANIS HEARS REV. BENEFIEL ON HOSPITAL

In an address before Campbell Kiwanis Club Tuesday, Rev. Robert L. Benefiel, pastor of First Methodist Church of Los Gatos, urged avote for the West Valley Hospital \$800,000 bond issue which will be decided on November 18.

Rev. Benefiel said his interest in the Hospital came from visiting sick parishioners in overcrowded San Jose hospitals and not from reading statistics.

He said he was impressed with the number of leading citizens among which are doctors, clergymen, retired business men, who are spending so much of their time an energy without compensation to spread information about the hospital.

Rev. Benefiel said that in spite of opposition to the district hospital approach to problems of illness in California, 19 district hospitals are now functioning in California and 20 more are under construction.

The clergyman pointed out the cost for retiring the bond is estimated to be \$3.50 per \$12,000 assessed valuation of property per year. The hospital is needed he said and district hospitals have proven successful in other parts of the state. He said the West Valley Hospital is the cheapest form of hospitalization available and urged his listeners to cast a yes vote for the West Valley Hospital bond issue.

ROTARY SPEAKER POINTS TO NEED FOR NEW J.C.

Robert Buchser, principal of Willow Glen High School, speaker at Campbell Rotary Club Monday afternoon at IOOF Hall, stressed the "need for a Junior College on the West side."

Buchser explained the present Junior College set up as part of San Jose State College, and stressed the fact that other districts are required to provide Junior Colleges. The need is becoming greater he said due to current increase in enrollment. He also pointed out the difference in programs. The junior college program is a more directed program, he said, and better provides for the transition between high school and college study. Buchser praised the terminal programs such as the trades, Commerce, and especially the Police School, which are available at the Junior College. New school is planned at site of new Technical High School.

Program was arranged by a committee composed of Emerson Arends, chairman, Norman Stoner, Dr. Robert Wade, Neal Royer, Merv Willoughby and Mario Saia.

... Supervisor

Mayor Richard Morton said plan should be ready in two or three months.

Members selected will serve as follows: Two members will serve for one year, two for two years, and one for a three year period.

In another action the council granted a permit to operate a bio-chemistry laboratory for soil and leaf analysis at property located at 81 Latimer Ave. to Henry Stoner.

Permit was granted subject to recommendations of Planning Consultant Nestor Barrett who stipulated that permit should be granted for the use applied for, with the secondary provision that Stoner hire no year-round employees.

John Santnei, 735 El Solva Ave. and Bert Legg, 45 Alice Way, spokesman for 36 property owners near or adjacent to the proposed restricted commercial venture, appeared in favor of granting the permit and outlined the benefits to the neighborhood resulting from Stoner's conduct of his business.

There were no written or oral objections to granting the permit.

Permit for construction of new St. Lucy's Parochial School at corner of Santa Clara-Los Gatos Road and Kennedy Ave. was amended to include new setback requirements.

Barret after consulting Vincent Raney, contractors, recommended a 25 foot setback from Whitehall street and 25 feet from Kennedy. Original plan called for a 25 foot setback from Whitehall and 25 from Kennedy.

Because of the convention the November 8th meeting of the Bethel has been cancelled.

There is a new florist in town. Richard Michael, born Oct. 11 at O'Connor Hospital. New baby is the son of Tommy and Dorothy Blackmun, co-owners of Campbell Floral Shop.

Twelve guests were present at the birthday party of six year old Carol Johnson, 70 W. Lattimore Saturday October 25th, to present presents and to enjoy games and refreshments in her halloween decorated home.

Among the guests were Betty Benson, Dorothy Diehl, Alice Robson, Silvia Siegal, Pierre Dorlet, Margie Van Corup, Dewey Brown, Susan Webber, Vivian Stewart, Sandy Lacitola, Mark Cupples, Jack Johnson.

A wind storm drove Mr. R. B. EDWARDS of E. Campbell Avenue home from Washington aboard the Zephyr Vista Dome. Mr. Edwards was enjoying the capital, "the most beautiful city", as he says, when suddenly the temperature dropped 50 degrees in 12 hours. He abbreviated the three weeks stay he had planned and came home at the end of two weeks.

On the streets of Washington, 150 feet wide with no telephone or electric wires visible (they're underground), in the elegant shops and restaurants, and in the park where he fed peanuts to birds and squirrels, Mr. Edwards had a delightful time. Best of all were the tours he took to Mount Vernon and Alexandria, to the Masonic Temple, which he had most wished to see, and to the White House, where he especially liked the Blue Room, (the wall tapestry and the chairs match), to the Ford Theatre, where President Lincoln was shot, and to the brick house across the street, where the wounded martyr was carried. Most tantalizing was the U. S. Mint, where Mr. Edwards was offered a handful of long green by an employee of the mint. Being in the spectators' "cage" he could not reach the extended money, which was mint only as a joke.

Mr. Edwards brings back a style forecast from the capital. Vests are coming back. In the smart Washington shops they are shown in bright reds and blues with brass buttons. It's only a matter of time, says the traveller, until Campbell men will be wearing them.

After a wonderful trip, Mr. Edwards is glad to be at home.

ROBERT MITCHELL, son of Mr. and Mrs. EDWIN MITCHELL of Palo Alto and nephew of Mr. and Mrs. J. M. DAHL of Campbell, will wed JOAN ZIMMERMAN, daughter of Mr. and Mrs.

B. A. ZIMMERMAN of San Jose, November 30th in the First Methodist Church of San Jose. Robert returned October 15th from Korea, where he served with the Infantry, notably on Heartbreak Ridge.

Mrs. ANNA KRUG returned last Thursday morning from Ritzville, Washington, and has recovered from an injury sustained during her visit to her home town.

Mrs. GILBERT KRUG is still in Moline, Illinois, where she is staying with her sister after undergoing surgery a second time there.

Mrs. JESSIE SILBERBAUER has received another interesting letter from Mrs. LILLIAN OHLEN, who wrote from Switzerland this time. Mrs. Ohlen has enjoyed Switzerland even more than Paris, and she praises the awesome scenery, the delicious food and coffee and a very comfortable, modern hotel (with an elderdown soft bed). Mrs. Ohlen was accompanied in Switzerland by a cousin from Penrith, near the Scottish border. They planned to fly back to the cousin's home; then Mrs. Ohlen's itinerary lists a visit in Sussex, another in Sheffield, and on November 4th she will meet Mrs. MARION PAICE in London. The two friends will start their homeward journey in mid-November.

Mr. and Mrs. A. P. WALKER have announced the betrothal of their daughter, EVELYN, to Airman Third Class GLENN GABARD. Both are alumni of Campbell Union High School. Evelyn is a student at San Jose State College, while Glenn is stationed at March Air Force Base in Riverside. No date has been set for the wedding.

Mr. and Mrs. FRED FELTMAN spent last week end in El Cerrito with Mr. and Mrs. LYLE BUSBY.

Smith conceded the Supervisorial race yesterday afternoon when Gaspar had amassed a 4,870 vote lead.

Smith extended congratulations to the former Marine Corps colonel, and offered him his cooperation in the best interests of county government. Smith expressed his thanks to the many friends who helped him in the campaign and especially wished to thank the Campbell High school board of trustees for granting him a leave of absence. The losing candidate said he expects to return to his teaching duties at the high school's agricultural department and catch up on his fall duties.

PRESTIGIACOMO WANTS TO ANNEX TO CAMPBELL

City of Campbell has been petitioned by Setterno and Beatrice Prestigiacomio for annexation of about 13 acres of their land on the west side of Santa Clara-Los Gatos Road between Rosemary Lane and the land of O. T. Martin.

Since petitioned property lies within three miles of San Jose and Santa Clara, Campbell City Attorney Joseph A. Bonacina has applied for approval from both cities.

Campbell following Provisions of the Government code concerning annexation of property within three miles of an incorporated area, seeks to avert a situation such as the disputed annexation of South Willow Glen by San Jose, consent for which was not obtained from Campbell.

Bumper to Bumper Know-How

An Editorial Tribute

To Flowers

Flowers are one of God's greatest and most beautiful gifts to man. Almost from the moment we open our eyes on the world until we say "good-bye," flowers play a major part in bringing happiness.

Did you ever take a walk along a country road early in the morning and see a little dew-drenched wild flower peeping up at you with a crown of star-studded dew on its petals? Did you ever pet a dark red rose into the hands of a sweetheart you were too bashful to tell you loved her?

Did you ever stand hopelessly beside the bier of a loved one and out of the corner of your eye see a host of flowers sent by someone to tell you that God was still in the heavens, that friendship and love still lived?

Were you ever sick and weary or afraid, or did the littleness of man overcome you—and then did you take up a hoe and go out into the sunshine of the garden to put a tiny seed into the earth? And planting that tiny seed, did you reach out to touch the earth and find yourself touching the glory of heaven? And in doing this—did you find new faith in man and in God?

If you have ever enjoyed any of these ennobling experiences, you know the meaning and inspiration of a flower and you can join with us in paying tribute to this week which is National Flower Week across our great country.

CAMPBELL HI-LIGHTS

by Ben Olson

Mrs. Adele Charlson and Gov. Earl Warren have one honor in common. Both were last weekend presented with California State Honorary Memberships in the Future Homemakers of America. Both of these notaries and all of Campbell High's FHers were among the 600 enthusiasts at the Asilomar. Mrs. Charlson, Campbell Homemaker's Convention bell adviser, was accompanied by several Campbell students who helped make the meeting a culinary as well as oratorical success.

Mrs. Charlson officiated at the executive board meeting and served as consultant for two of the discussion groups. Janet Merovich led the 600 in the creed. Donna Phillips was in charge of the "Who's Who in California" roll call, and Alice Lassen was given the post of state reporter. Another Campbell adviser, Mrs. Dorothy Harrington, brought six other

Campbell girls to the Saturday sessions.

Representatives from Fremont, Lick, and Los Gatos high school also helped take over Asilomar all weekend. Mrs. Charlson said that the highlight of the session was Saturday's roll call where each section president introduced her membership. All these were portrayed on a lighted map of the state designed by Campbell's Future Homemakers.

This IS National Future Homemaker's Week and the Campbell girls sponsored a special event for each day starting with an FHA "Go to Church" Sunday. On Monday they entertained Fremont High's girls in an Echo meeting of the convention in the form of a "Hawaiian Bean Feed". Tuesday the girls' mothers enjoyed an "At Home Day" when the girls cooked dinner so that their mothers could go and vote. On Wednesday all faculty members were given a special FHA refreshment treat, and today the club is sponsoring "Money-making Day" and launching their yearly Christmas card campaign.

Anyone interested in the activities of Campbell's Chapter of the FHA can learn a lot about their activities from the special main corridor showcase effectively decorated by Barbara Beutel.

Elsewhere on these pages you can read about Campbell's thrilling 7-6 upset victory at Santa Clara, about the Bucs' second half aggressiveness, about Bill Gregg's touchdown, and Dewey Holm's all important extra point. But a few extra words on color might also be welcome. It seemed to us that Campbell had more visitors than Santa Clara had home team roots; certainly we made more noise and filled our stand with more enthusiasm all evening long. And certainly Campbell (like the Chicago Bears over the 49ers) proved to be the team with the most drive and will to win. If ever we saw a crowd urging its team on to victory we saw that last Friday at Santa Clara.

We hope to see the same urge on our own field tomorrow afternoon when the Buc's host Washington's Huskies (still smarting from their ding-dong defeat to Bellarmine Prep 18-0) who so far boast a 2-1 record we're going to change to 2-2.

Two other Campbell athletic teams are playing their most important games of the season this

afternoon against Los Gatos. We mean our C's and D's who deserve some sort of commendation for playing their hearts out all year before some of the smallest crowds on record. Let's give a hand to these C and D stars:

SIG NUZAWA a great defensive man and the "best fader" (as his team mates put it) in the SCVAL.

RICHARD RUSSO, the C's scoring leader with 38 big points.

YUKIO SAKAMOTO, captain of the C's and a forward with a beautiful jump shot.

VERNON LUNT, a never-sleeping guard and a clever ball handler.

DICK MILLS, a guard and most welcome newcomer to Campbell athletics.

DWIGHT KLASSEN, the D's highest scorer and a flashy forward.

CHARLES VILLEREO, a forward with an inimitable "never give up" spirit.

PAUL UYEUDA, capable center and captain of the D's.

JOHN BIGONY, regarded by the D's as a key man in his guard position and

TED VOSSLER, another "guard" who in every game proves he knows the meaning of the word.

On Saturday, November 15th, ten Campbell seniors will be among 400 guests from 49 high schools touring Stanford University's campus. Alice Jones, student body president, Jon Dorman, senior class president, Carole Schrader, Jackie Davis, Clyde McGee, Don Thompson, Hal Walton, Lis Atkinson, and Ronald Emery will see demonstrations by various departments, have lunch as guests of Stanford, and receive complimentary tickets to the Indian-Oregon football game. As Clyde said, "Big deal!"

This is TWIRP Week at school and it is quite a switch to see the girls asking the fellows for dates to the big Saturday night dance. The gals also provide the corsage, transportation, and refreshment. If this is the beginning of a trend, we're all for it.

Come to the Campbell Garden Club's showing Nov. 8th and 9th and see how well some students have arranged flowers in a composition denoting a book title. Some of these "Story Book Themes" will surely win some of those blue, red, or white ribbons.

Noon hour activities are at last in full swing. The ping pong tables have all been full every time we looked. Also available are chess sets, checkers, intramural games, and music for dancing donated by the Campbell Music Center. Soon we'll also be having movies and variety shows too.

SURVEY TELLS SUMMER WORK OF TEACHERS

A recent survey conducted by the Public Relations Committee of the Campbell Teacher's Association revealed that teachers of the Campbell Elementary School District were busy improving themselves during summer vacation for the ensuing year's teaching.

Out of 103 teachers polled, 35 or approximately one-third of all the teachers went back to college, mostly to San Jose State with six to Stanford, one to San Francisco State, and one to Columbia University.

Thirty-six teachers travelled within the state of California; 26 travelled out of California but within the U. S., and 9 visited other countries; chiefly Mexico, Canada, and Alaska.

Four teachers had charge of summer recreation programs in Santa Clara County; one served as counselor at a children's camp; one was a music director, and one served two weeks active duty with the California National Guard 49th division.

Officers Picked For Rosemary Home, School Meet

Over 500 parents and teachers crowded the multipurpose room of new Rosemary School for an open house meeting last week of the Home-School club to elect officers for the new school year.

Officers elected were: President, Charles Schmidt; vice-president, Mrs. Betty Orsi; secretary, Mrs. Hazel Volley; treasurer, Mrs. Marguerite Davis.

First formal meeting of the organization will be held Tuesday, November 11, Armistice Day, at Rosemary School 285 W. Hamilton Ave.

At the last meeting Rosemary School principal Neal Royer, introduced speakers, Edward Van De Mark, member of board of directors, William C. Henley, district superintendent, and Mrs. Dorothy Royce, principal of Campbell Grammar School.

Other board members present were L. E. Means, and Edward C. Merrill.

Many of the fellows are already practicing for this year's Annual Turkey Trot to be held during sixth period on November 21st. Not many can lose for there'll be at least fifteen prizes.

BUCS' FOE POSES RUN, PASS THREAT

Last week's 7-6 win by Campbell High School Bucaneros over Santa Clara puts the locals into a third place tie with S. C. in valley league contention with a win-loss-tie record of 2-1-2 for the season and a 1-1-1 record for league competition.

Washington High School, tomorrow's opponent for the Campbell High squad, holds a second place spot in the S. C. V. A. L. with two wins and one loss on its record.

Campbell Coach Jim Muir's "Bucs" face a tricky and potent running attack from the "Huskies" double wing formation tomorrow as well as a aerial threat from John Chacon, five foot-eight, 155 pound senior.

Muir said scout reports indicate danger for the "Bucs" in a fast, though light Washington backfield fronted by a strong, heavy line. Mainstay of the "Husky" forward wall is a six foot, 195 pound senior, Bob Brazil, who throws his weight around at right tackle. Another line standout is Ed King, five foot 10 inch, 156 pound senior at center.

"Husky" running threats are expected from Frank Galvan and Frank Murakami. Galvan also doubles as a pass receiver.

Washington's pass attack clicks partly through the pass-smashing ability of six foot, one inch left end, Jim Bolivia.

Campbell still boasts the best lineman in the Santa Clara Valley Athletic League in big Dick Glead.

BRIDE ENJOYS MOOSE STEAK IN ALASKA

After making the 3500 mile Alcan Highway trip to their Fairbanks, Alaska home newly-married Mr. and Mrs. Ray Pharris Jr. enjoyed their first meal of moose steak in their new home.

The moose had been killed earlier by Pharris and his air Force buddies.

In a letter to the bride's parents, Mr. and Mrs. Willard Cleveland, 71 Rincon Ave., the couple described the trip, the last 100 miles of which were through snow and ice.

Mr. and Mrs. Pharris were married October 5th, in First Methodist Church by pastor Rev. Herbert Neale.

Garden Club Hears Hospital Plan Aired

Hans C. Adamson, vice-chairman of West Valley Hospital citizens campaign committee, speaking before the Campbell Garden Club meeting at Country women's Clubhouse yesterday said evident passage of proposition 20 would have no effect on the hospital situation.

(Proposition 20 permits allocation to private hospitals of public funds to increase or improve hospital patient-bed facilities.)

In answer to a question presented, he said that "in the townships of Redwood, Saratoga and Campbell, there are no general hospital facilities whatever in the district for the 60,000 men, women and children who live in it. One exception is the County Hospital and it is open only to people who are without means."

"Above and beyond that the competition among hospitals for public funds is so great and the funds available so relatively low that it will take but a few shallow scoops to get to the bottom of the tax barrel."

"Contributions of millions of dollars have already been made to San Jose Hospitals under State and federal grants."

"But, even if all the patient-beds now planned in San Jose Hospitals are realized, there would still be a shortage within the county of more than 117 beds as of today."

"By the summer of 1954 the earliest time the proposed hospital could be completed, this shortage, keeping abreast with population, will have risen to almost 300 beds and it would increase at a rate of 50 beds per year or more thereafter."

Circle Number six under the leadership of Mrs. Kurt Ritter will have charge of luncheon arrangements.

Devotional service will be held after luncheon, with Mrs. James Norwood, devotional chairman and Mrs. Clarence Helmbold, program chairman.

FOOTBALL CONTEST!

Sponsored by the Merchants on this Page
MAKE YOUR ENTRY EACH WEEK

RULES . . .

1. The football contest is open to everyone excepting employees of the Campbell Press and their families.
2. Contestants are required to obtain an entry blank from one or more of the firms advertising on the football page. Each entry must be made on an official blank. There is no charge for the blanks and no purchases need be made to obtain one. Merely visit one or more of these firms and ask for a Campbell Press football contest blank.
3. The limit on the number of entries which may be made by one contestant is one.
4. All entries must be received at the Campbell Press before 2 p.m. Friday of the week the games are to be played. (Bring or mail all entries to the Campbell Press office. We do not pick up entries at the various stores.) In case of ties, the first 2 received at the earliest hour at the Press office will be considered. The decision of the judges will be final.
5. Instructions in filling out entry blanks, printed on the blanks, are to be followed closely to avoid disqualification. Neatness of the entry blank will be a consideration in awarding prizes.
6. Names of the prize winners will be announced in the news columns of the Campbell Press each week.
